

## MULTI-VOLT LED NUMBER PLATE LAMPS

Multi Volt 10-30v DC

Submersible

High impact Polycarbonate lens

Stainless Steel fasteners 90 x 20 x 32 mm height

Complies with ADR

Current Draw @ 13.8v – 0.02 amps

Available with  
9 metre cable

PART NO	CABLE LENGTH	BLISTER PACK
BL300M	400 mm	Yes
BL3009	9 metre	
BL300M9	9 metre	Yes

## LED NUMBER PLATE LIGHT

### NP3LED

Varivolt™ 9-33v DC

High impact  
Polycarbonate lens

Surface mount, screw on

IP67 Compliant

Current Draw  
@ 12v - 40 mA

The NP3LED licence plate lamp is an innovative design which is suitable for many applications. The lamp has a wide angle optic lens to ensure optimum licence plate illumination. Ultra-fast mounting is achieved by simple through hole screws. The lamp is rated to IP67 and includes a generous cable length, making it suited to most applications for licence plate illumination requirements.

## LED SWIVEL LAMPS

### BL109WM

Multi-volt 12V-24V

10 warm white LEDs

Current draw at 13.8v =  
0.12amps

Swivel lamp 180°.

With on/off switch

Dimensions 225(l) x  
33mm (w) x 35mm (h)

### BL130WM

Multi-volt 12V-24V

30 warm white LEDs

Current draw at 13.8v = 0.37amps

Swivel lamp 180°. With on/off switch.

Dimensions 470(l) x 33mm(w) x  
35mm(h)
